2016-2017 Leadership Lamoille

A Lamoille Region Chamber of Commerce Program

*Financial assistance is available to qualifying businesses via scholarship,
thanks to a partnership with the Lamoille Economic Development Corporation*

The Board of Directors of the Lamoille Economic Development Corporation recently voted to provide financial assistance to those businesses within Lamoille County who have potential community leaders on staff but do not necessarily have the financial resources needed to enroll that individual(s) in the 2016-2017 Leadership Lamoille Program. The Chairman of the LEDC Board has supported the Leadership Lamoille program since its inception 5 years ago and spoke highly of the program and its benefit to not only the community but to potential leaders as well. He uses the word “dynamic” to describe the program.

The Lamoille Economic Development scholarship Fund will provide up to 50% (\$300) in tuition fees to any Chamber member business with demonstrated need. This scholarship is being offered to those businesses who would not otherwise be in a position to enroll a participant in the Leadership Lamoille Program due to the cost of the program.

Attached is information regarding the 2016-2017 program together with an application form.

If interested, simply complete the attached application and return it together with this request for financial assistance to:

Lamoille Region Chamber of Commerce
P.O. Box 1459
